

### REMARKS

Paragraph 8 of the pending Final Office Action states that claims 13 and 15 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. By this amendment, claim 13 has been amended to include the content of claims 1, 8, 9, and 10, and claim 15 has been amended to include the content of claims 1, 8, 9, 10, and 14. All other claims have been cancelled.

By this Amendment, Applicants have complied with the Examiner's objections to the claims in order to place the application in condition for allowance. Accordingly, Applicants respectfully request entry of this Amendment, and allowance of the claims.

Amendment and/or cancellation of certain claims is not to be construed as a dedication to the public of any of the subject matter of the claims as previously presented, but rather as an attempt to expedite allowance and issuance of the currently pending claims. No new matter has been added.

### CONCLUSION

In view of the above, each of the presently pending claims in this application is believed to be in condition for allowance. Accordingly, the Examiner is respectfully requested to withdraw the outstanding rejections and pass this application to issue. If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.
